

Fox Cities Exhibition Center

Weekly Update - 06/12/2017

Key Progress Points

- ◇ **Radisson Paper Valley Hotel Work:** The escalator foundation walls were poured this week, in addition to the slab for the elevator pit. The Ballroom finishes and electrical have also been completed inside the Radisson Paper Valley Hotel.

- ◇ **Steel:** Steel erection continues in the northern portion of the project site.

- ◇ **Concrete:** The concrete crew has completed another large pour along the south foundation wall of the exhibition center.

- ◇ **Masonry:** The masonry crew is continuing work in the southwest corner, building walls for the loading dock/service area.

- ◇ **Conditions & Safety:** Site conditions are good; there were no issues or injuries this week.

Progress Photographs

CMU walls are built in the loading dock/service area on the corner of Elm and Eighth Street.

Work continues on the south foundation wall, establishing the southeast corner formwork.

Steel erection continues for the northern portion of FCEC.

Escalator foundation walls are poured at the Radisson Paper Valley Hotel.
